

SINEO PACKAGING

2024 COMPANY PROFILE

ABOUT SINEO PACKAGING

Established in 2015 in Shanghai as a division of Sineo International, Sineo Packaging's expertise lies in **sustainable** packaging solutions. Drawing on extensive industry experience, Sineo Packaging pioneered the introduction of **eco-friendly packaging** to the Middle East.

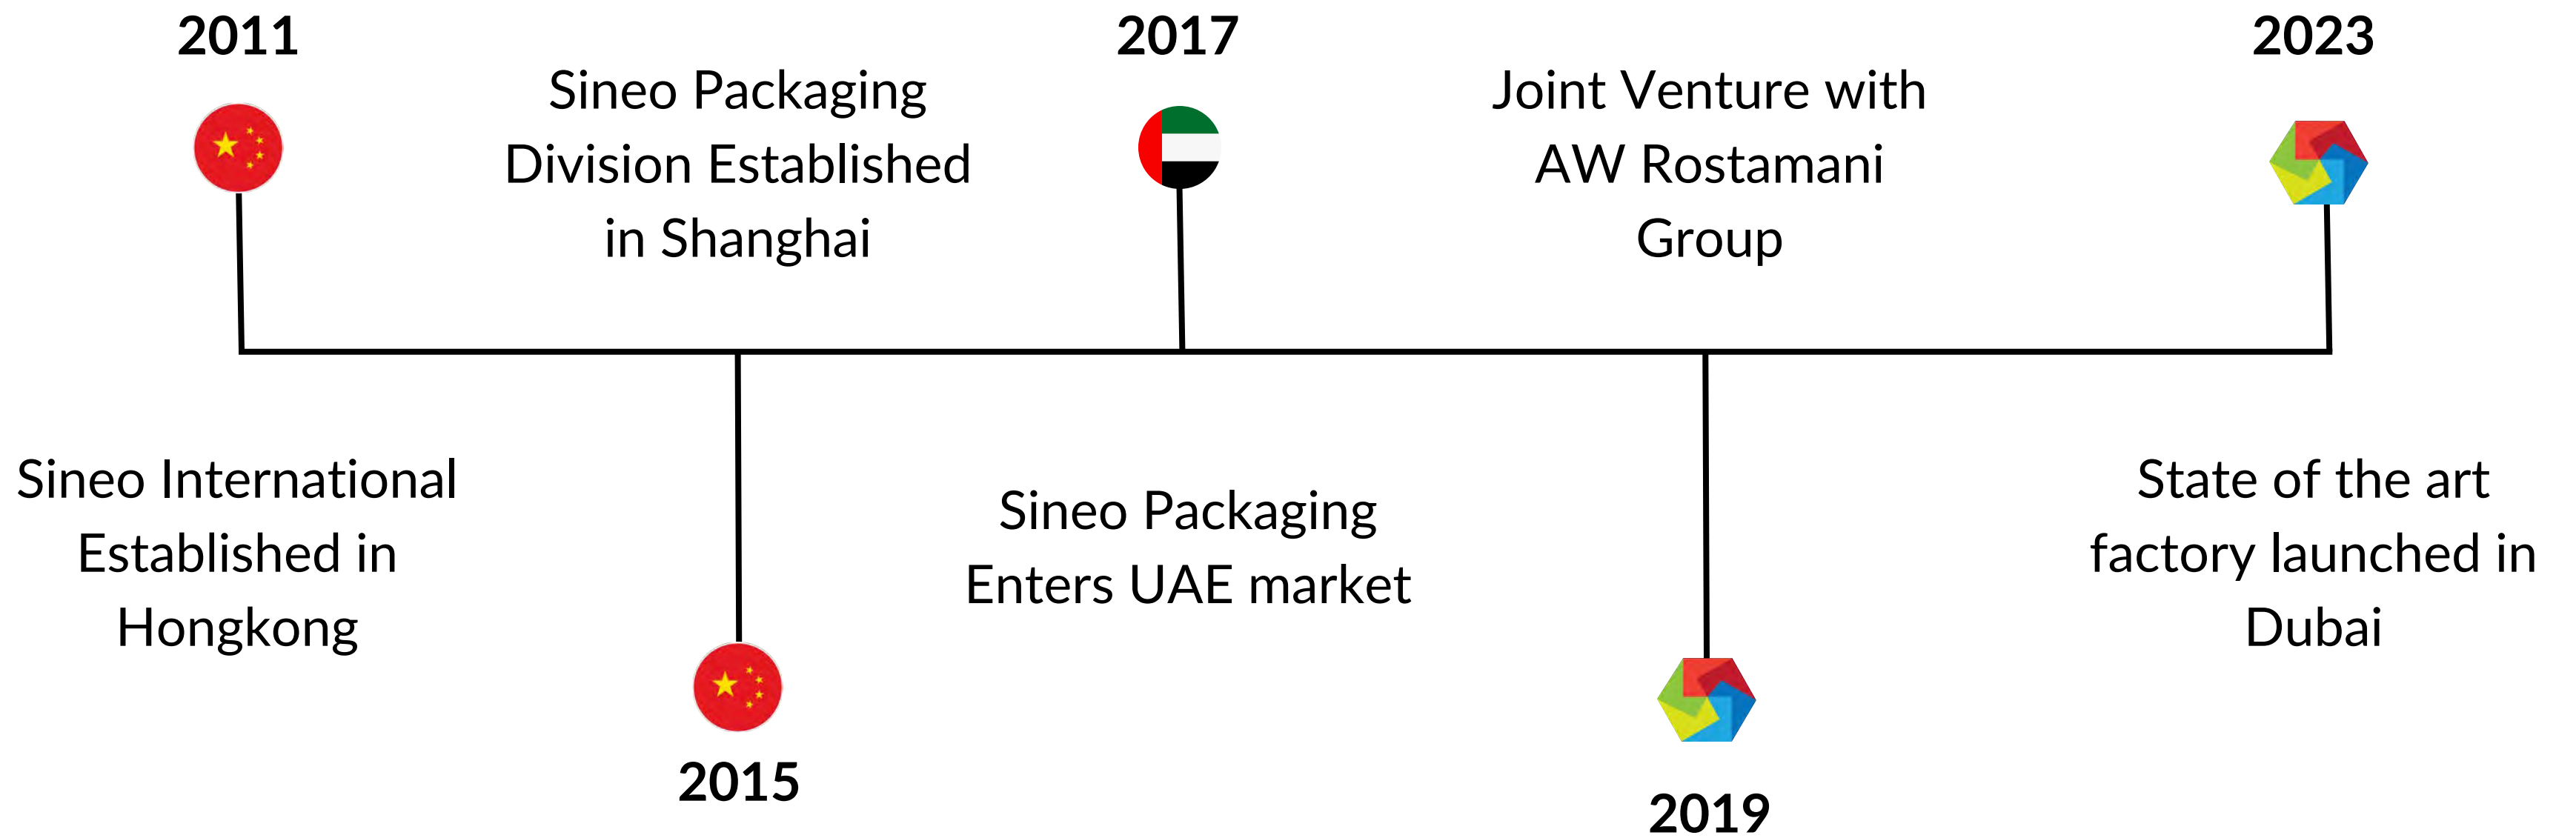

In 2017, the company expanded to the UAE and, by 2019, formed a **joint venture** with the **AW Rostamani Group**. In November 2023, Sineo Packaging launched its state-of-the-art **manufacturing facility** in Dubai Industrial City.

Sineo Packaging offers a comprehensive range of **recyclable, biodegradable, and compostable** packaging solutions and excels in providing highly customised **branding**.

Our **vision** is to lead the global packaging industry in sustainability, driving a positive impact on the planet through continuous **innovation** and **excellence**.

OUR STORY

OUR VALUES

SUSTAINABILITY

Our dedication to sustainable practices across the entire supply chain is reflected in our sourcing, manufacturing processes, employee practices and final outputs. We are dedicated to reducing our customers' carbon footprints, operating economically and empowering people at every stage.

EMPLOYEE EMPOWERMENT

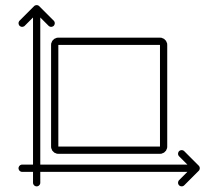

Our team's comfort is of the utmost importance. Our aim is to create a safe, inclusive and supportive environment built on mutual respect, trust and cooperation, and we're proud to do so with a diverse team of over 15 nationalities of men and women.

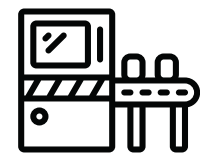

RESPONSIBILITY

We take accountability for the impact of our business operations on the planet and our stakeholders. Our dedication to corporate social responsibility is to give back to the community and ensure that every decision is conducted ethically.

CUSTOMISATION

Our customization capabilities are enhanced by our state-of-the-art **6-colour flexographic printer**, allowing us to print our customers' artworks with **precision** and vibrant **detail**.

We use **non-chemical, food-grade ink**, ensuring that our prints are not only **high-quality** but also safe for food packaging. This combination of advanced printing **technology** and **eco-friendly ink** ensures that your packaging stands out while maintaining the highest standards of **safety** and **sustainability**.

PRIVATE LABELING

As a manufacturer, we excel in producing **high-quality** packaging solutions tailored to our clients' branding needs.

We offer **comprehensive OEM** services, including **custom labels, branded boxes, and specific carton markings.** We ensure every aspect of your packaging reflects **your brand identity.**

Our commitment to **precision and customization** guarantees that your products stand out in the market, fully **branded** according to your specifications.

LOGISTICS

At Sineo Packaging, we provide **comprehensive** logistics solutions to ensure our packaging products are delivered seamlessly to customers **worldwide**.

Our dedicated logistics team oversees every step of the shipping process, from initial packing to final delivery and **customs clearance**, ensuring a hassle-free experience for our clients.

Additionally, our **in-house delivery fleet** allows us to efficiently and promptly serve the UAE market.
